It "avows too much" of paternalism for a general committee of the association to demand that property in the flooded Mississippi and Cannon, of Illinois, protest against any such paternalism on the part of the government in the future. We find in the Charleston News and Courier a comment on this dredging, dated of paternalism, which it is to be regretted is being given up to working political schemes in the interest of that or that candidate for U. S. Senator.

This joint resolution appropriating \$200,000 for the relief of the people in the flooded Mississippi river districts passed the House without opposition, but two men, Mrs. Walker, of Massachusetts, and Cannon, of Illinois, protested against any such paternalism on the part of the government in the future. The bill in the Senate was referred to the Committee on Finance, and Cannon, of Illinois, introduced a motion to strike out the words of the bill.

GREAT DEMOCRATIC GAINS.

The result of the municipal elections in the West last week are peculiarly encouraging to Democrats.

In Chicago, which gave McKinley 50,000 plurality over Bryan, Carter Henry Harrison, a Bryan Democrat, was elected mayor by a plurality of 85,000. The Republican candidate, Wash. Hesing, the gold candidate, received only 16,000 votes. This is a change of 141,000 in favor of the Democrats since the November election.

In Cincinnati a notable Democratic victory was won, T. A. McKinley being elected mayor by a large plurality. The city gave McKinley 20,000, and three years ago elected a Republican mayor by a large majority.

The Republicans came near losing Cincinnati, Ohio, the Democrats gaining 2,000, and three years ago elected a Republican mayor by a large majority.

For Sheriff.—STURFIELD.—We are authorized to announce Jas. T. Stuhlsdorff as a candidate for Sheriff of Fulton county, subject to the action of the Democratic Primary. July 3d, 1897.

The home of Bushnell, the Republican governor of Ohio, Springfield, elected a Democrat in the next election. The home of the Democratic candidate, Tom Moore, was heavily gains.

Evansville, Ind., a republican town, changed front and elected a Democrat.

In Detroit, Michigan, the Democrats elected their candidate in the primary, while the Republicans gained 2,000, and two new towns that have been Republican for several years elected Democrats, others having been elected to office in the primaries.

Large Democratic victories are shown all over the state, and especially heavy gains.
